# 1. COUNTRY SLOVENIA

## Why Slovenia - 5 reasons

- Slovenia is one of the safest countries in the world.

Slovenia is a safe country; it is ranked among the 10 safest countries in the world.

- The most affordable country in Europe to be a university student (tuition fee and living costs). Students can easily survive with around 500 euros per month.

- Student friendly country.

Slovenia is the only country in Europe with coupons systems. This means that you can eat a nice student meal in certain restaurants for very cheap. Other benefits students can enjoy are low transportation costs or free sport activities etc.

- Unique geographic position – in the heart of Europe.

It's situated between the Adriatic Sea, Italy, Austria, Croatia and Hungary. Slovenia is the perfect starting point for different trips. Everything is relatively close; just a few hours away you can reach Vienna, Venice to Tuscany, Budapest, Zurich or Munich.

- Enjoy the various sports opportunities and true nature.

There are plenty of sport activities in Slovenia, from hiking, cycling and rafting in summer, or skiing in winter. You can just explore the outstanding natural beauty of Slovenia like mountains, natural lakes, forests and sea. Slovenia is perfect place for a nature-lover's paradise.

- Forest dense (56 %) ■ < 500 bears ■ Bee lovers ■ Land of castles ■ Amongst the best in EU when it comes to speaking a lot of languages

## 2. CITY: LJUBLJANA

### Ljubljana – European Green Capital 2016

- Unique and felicitous mixture of two very different but complementary features: on the one hand, the city is famed for its historical heritage and tradition, but on the other, it is a relatively young city with a modern lifestyle whose residents' average age is only slightly above 30.
- Ljubljana a perfect base for exploring the country's diverse beauty.
- The capital is Ljubljana, meaning in Slovene language “beloved “.

- Official language: Slovenian ■ Prevailing religion: Christianity ■ Climate: Alpine, Continental, Mediterranean ■ Length of coastline: 46.6 km ■ Highest peak: Triglav 2862 m ■ Time zone: central Euro time GMT + 1 ■ World's most environmentally-friendly nations (5th)

### 3. UNIVERSITY OF LJUBLJANA, SCHOOL OF ECONOMICS AND BUSINESS (SEB LU)

#### Why SEB LU? – 5 reasons

##### ■ Get high-quality education.

The SEB LU has become the first and only Triple Crown School in Slovenia and the broader region to have been awarded the **EQUIS**, **AACSB** and **AMBA** international accreditations. This achievement ranks the SEB LU among the **top 1% of business and economic schools in the world**.

##### ■ Ranking

Best school in the fields of Business and Economics in Slovenia and wider region.

FT ranking European Business school ranking - among **95 best business schools in Europe**.

FT ranking: **IMB programme among top 100 in the world** Master in Management.

##### ■ International study environment with cross-cultural learning experiences and possibilities of Erasmus/bilateral exchange or double degree option all over the world (more than 200 international agreements). Across the SEB LU there are more than 70 nationalities represented.

##### ■ Wide Range of Full-time Programmes Offered in English.

We offer English programmes at all three levels of education: undergraduate, graduate and doctoral study.

##### ■ Great Corporate Connections.

We have cooperated, for many years, with the business community in shaping our academic study process at the SEB LU, and know that their involvement is important in the development of successful SEB LU graduates.

- 5,000 Students
- Over 1,000 International students
- 70 nationalities
- 11,000 alumni members
- 250 staff members
- 17 student associations

## Equal opportunities for all

- Students with special needs

## 4.ACADEMIC CALENDAR

First semester

Winter semester: October till middle of January

Winter examination period: middle of January – beginning of February

Second semester

Summer semester: Middle of February till end of May

Summer examination period: beginning of June – end of June

Summer holidays: beginning of July – end of August

Autumn examination period: end of August – middle of September

## 5.FULL TIME STUDY / PART TIME STUDY

Most of the study programmes are performed as full-time course in accordance with the study calendar, allowing the students full participation in all their lectures, practical classes and seminars. Part time courses are performed according to special schedule, mostly in the afternoons and on Saturdays. All forms of pedagogic work on these courses are executed in 30 % of the hours of the full-time courses.

## 6. ECTS & GRADING SYSTEM

The European Credit Transfer and Accumulation System (ECTS) is a standard for comparing the study performance of higher education students across the European Union. ECTS credits present the value allocated to a certain course and describe the quantity of work each course requires from a student.

Grade 10 = excellent	ECTS = A
Grade 9 = very good	ECTS = B
Grade 8 = very good	ECTS = C
Grade 7 = good	ECTS = D
Grade 6 = satisfactory	ECTS = E
Grade 5 = fail	ECTS = F

### University Degree programme in Business and Economics

(Offered in Slovenian or English language)

The programme combines theoretical, methodological, and applied knowledge in business and economics. The programme uses the most advanced knowledge management and analytical tools to develop and train students for employment. Students gain basic theoretical knowledge to use in practice. Area of specialization in 2nd year offered in English: **International business** or **Marketing**. Both specializations have an option or student **exchange programme** abroad or possibility of **double degree** or additional **Erasmus + traineeship abroad**.

Areas of specialization in 2nd year offered in Slovenian: Business Economics, International Economics, Bank and Financial management, Money and Finance, Management, Business Informatics, Business Logistics, Entrepreneurship, Accounting and Auditing, Marketing, Tourism.

Graduates of the programme are qualified to perform the most demanding professional tasks in industry and public administration.

### Specialization Marketing - offered in English

The programme is designed in a way that the theoretical knowledge acquired during studies integrates with practice (preparation of marketing projects and case studies, visiting guests from business etc.). The Marketing programme provides students with knowledge and skills from the field of marketing along with a spectrum of vital business functions and a basic understanding of the business environment. It is offered within the university degree – Business and Economics Sciences. After completing their studies, students have many career opportunities in marketing research, advertising, brand management, organizing events, public relations etc. The undergraduate programme also offers an excellent springboard for further education on master level. Students are encouraged to enrich and upgrade their knowledge by enrolling in any of our Master programmes.

### Specialization International Business - offered in English

The study of international business will provide you with the knowledge required for positions like a department manager for international business/marketing, branch representative for foreign markets, branch manager, marketing specialist in a sales branch abroad or a foreign branch in Slovenia, manager of a department, independent advisor in the public service or in institutions dealing with international commerce, a sales or supplies manager for foreign markets, a brand manager, logistics manager etc.

### Double Degree options

A Double Degree is an approved combined study programme leading to two degrees from two universities. After successful completion of all the programme requirements you receive an undergraduate degree from SEB LU as well as an undergraduate degree from Partner University.

## APPLICATION AND ENROLMENT

Call for Enrolment in second Cycle study programmes for Academic Year 2018/2019 is published. ([link](#) – in Slovene language).

### ■ EU candidates

**First application period: February – 15 September 2020.**

Selection and enrolment: September 2020.

**Second application deadline: end of September 2020\*.**

Selection and enrolment: September/October 2020.

### ■ NON EU candidates

**First application period: February - 30 June 2020.**

Selection and enrolment: July 2020.

**Second application deadline: 15 September 2020\*.**

Selection and enrolment: September/October 2020.

\* Only if there will be available enrolment slots.

Candidates submit the application for enrolment and recognition of foreign education through eVŠ web portal ([portal.evs.gov.si/prijava/?locale=en](http://portal.evs.gov.si/prijava/?locale=en)).

In the application, you can apply for two programmes (first choice and the second one in case you would not be accepted for the first one).

**Please note that all required documents, together with the printed and signed application form have to be received by School of Economics and Business before the deadline.**

Candidates are required to send by post the following documents together with the application form:

- Your **legalized\* original** Bachelor diploma. (Which we will return together with the final decision – or immediately by your special request).
- Transcript of records of your Bachelor study.
- English or Slovene official translation of your diploma and transcript of records.
- A short chronological description of your entire education (sample [here](#)).
- Motivation letter (approximately 500 words).

(Candidates applying to a master's programme offered in English language are required to submit the letter of motivation in English language (approximately 500 words).

■ Certificate of advanced English language skills (**only in case you are applying for programmes in English language**). (Candidates must present a language certificate of their English language skills: The minimum required scores are: TOEFL: TOEFL score of 79 (IBT), IELTS: IELTS score of 6 for English, Cambridge/Oxford: B2. Instead of the international certificate attesting knowledge of the English language (such as TOEFL, IELTS, GMAT, etc.) candidate can submit a certificate of attending student exchange programme, offered in English language (Erasmus exchange, summer school etc.) or similar).

- Copy of your passport.

---

\* *Legalization of the documents*: The original of the final certificate(s) representing the general requirement for access to higher education in the country of issue, legalized on the basis of:

The 1961 Hague Convention (at the court with territorial jurisdiction where the certificate or diploma was issued); with a properly completed Apostille form affixed, or The Authentication of Documents in International Traffic Act. State parties to the 1961 Hague Convention can be found at this [website](#).

If the student/candidate can find the country on the list of the Authentication of Documents in International Traffic Act, he/she should take an original diploma to the Court, where his/hers university is and get a seal "Apostille" there.

If the country is not on the list, the original diploma needs to be legalized with the following seals:

- the seal of Ministry of Higher Education in the country of issue of your diploma,
- the seal of Ministry of justice,
- the seal of Ministry of foreign affairs.

You do not need to legalize your diploma (however you still need to submit the original document) if you have finished your previous education in the following countries (due to

bilateral agreements between countries): Bulgaria, Iraq, Algeria, Russia, Poland, Austria, France, Bosnia and Herzegovina, Italy, Slovakia, Czech Republic, Hungary, Croatia, Serbia.

Address for sending the enrolment application with supporting documents:

**School of Economics and Business**  
**Kardeljeva ploscad 17**  
**1000 Ljubljana**  
**Slovenia**  
**+2**

Candidates who have completed undergraduate study programme abroad (not Slovenia) may enrol in the first year of second cycle master's study programme if they complete the procedure of recognition of foreign undergraduate education. The recognition procedure is a part of the enrolment procedure. The candidate submits the recognition application together with the study enrolment application (on the [online eVŠ portal](#)).

The process lasts approximately two months from submitting a complete application. You can get more information about the process of recognition of education from:

E-mail: recognition [@ef.uni-lj.si](mailto:@ef.uni-lj.si)  
Phone: +386 (1) 5892 418

## 12. ALUMNI AMBASSADORS

International Alumni Ambassadors are SEB LU graduates who can assist prospective, new and current student with studying for a School of Economics and Business, University of Ljubljana degree (through the School of Economics and Business International programs), or SEB LU joint, double or other degrees, and programs, including exchange and Summer School programs. They can advise you on how they managed their studies successfully and offer tips on being international student living in Ljubljana, Slovenia.

You can find them here [http://www.ef.uni-lj.si/alumni-en/Alumni\\_Ambassadors](http://www.ef.uni-lj.si/alumni-en/Alumni_Ambassadors)

**Bakhodir from Uzbekistan**

At the SEB LU, I am learning to share my opinion, my vision and my dreams with other students who come from different countries, backgrounds and cultures. I am really proud of being a student at the Triple Crown school.

**Vladimir from Macedonia**

Great facilities, quality professors and researches and contemporary teaching methods are some of the things I admired while studying there.

Joel-Alex Bertrand-Poitras from Canada

I chose the University of Ljubljana due to its reputation within Slovenia as the most outstanding higher education institution. I also chose the SEB LU because of its 'Triple Crown' accreditation, seeing it as a mark of distinction and source of recognition for my future endeavours. Finally, the university's, as well as the School's, international orientation was appealing given the globalisation of the workplace where my degree will allow me to better position myself.

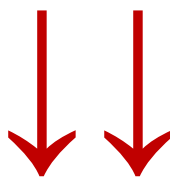

Taisiya from Russia

SEB LU is considered to be one of the best institutions in Europe. It is known by its strong educational program.

Nina from Slovenia

You learn how to think the right way and that is real the thing you need most in your career.

**Not sure you want to come and study at the SEB LU  
in Slovenia? Try our summer school and then decide!**
